Thanks very much for a great turnout for the race and thanks to the finish team of Derek, Brian and Matthew for their help. Time-wise, there were some very good performances - Julie Price, Dave Cogman, Steve Leek, Fiona Moffatt, Alison Bottomley, Clare Crowther, Keith Jamieson, Matt West, Mandy Andrews, Sue Jones, Ann Staveley and the winner, Simon Harris, all surprised themselves as well as me which is always good! Simon did tell me beforehand that his race form was one 10K time of 55 minutes but that was acting as running partner to wife Emma who he then proceeded to chivalrously run off and leave right after

Well done to Simon Harris who has improved his times throughout the series to record 17.58 for the final race, an increase of 2mins 39 secs on his first effort so a very worthy winner. Thanks to all who helped out on the finish team and especially thanks to Don for his results system that saves a lot of time in calculating final places! The Rosebowl Trophy will be presented to Simon at the Annual Dinner in January.
